The applicant shall at any time furnish such additional information as the Secretary or the chief of the bureau shall find to be necessary to the consideration of his application.

Grounds for not issuing license.

SEC. 2. A license for the conduct of a warehouse shall not be issued if it be found by the Secretary that the warehouse is not suitable for the proper storage of dried fruit, that the warehouseman is incompetent to conduct such warehouse in accordance with the act and these regulations, or that there is any other sufficient reason within the purposes of the act for not issuing such license.

Net assets required.

SEC. 3. The warehouseman conducting a warehouse licensed or for which application for license has been made under the act shall have and maintain above all exemptions and liabilities net assets liable for the payment of any indebtedness arising from the conduct of the warehouse, to the extent of at least 30 cents per hundredweight of the maximum number of hundredweight that the warehouse will accommodate when stored in the manner customary to the warehouse as determined by the chief of the bureau, except that the amount of such assets shall not be less than \$5,000, and need not be more than \$100,000. If such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, such warehouses shall be deemed to be one warehouse for the purposes of the assets required under this section. For the purposes of this section only, paid-in capital stock, as such, shall not be considered a liability. Any deficiency in the required net assets may be supplied by an increase in the amount of the warehouseman's bond in accordance with regulation 3, section 2, paragraph 2.

SEC. 5. Pending investigation, the Secretary, whenever he deems necessary, may suspend a warehouseman's license temporarily without hearing. Upon written request and a satisfactory statement of reasons therefor, submitted by a warehouseman, the Secretary may, without hearing, suspend or cancel the license issued to such warehouseman. The Secretary may, after opportunity for hearing, when possible, has been afforded in the manner prescribed in this section, cancel a license issued to a warehouseman when such warehouseman (*a*) is bankrupt or insolvent, (*b*) has parted, in whole or in part, with his control over the licensed warehouse, (*c*) is in process of dissolution or has been dissolved, (*d*) has ceased to conduct such licensed warehouse, or (*e*) has in any other manner become incompetent or incapacitated to conduct the business of the warehouse. Whenever any of the conditions mentioned in subdivisions (*a*) to (*e*) of this section shall come into existence it shall be the duty of the warehouseman to notify immediately the chief of the bureau of the existing condition. Before a license is revoked, or canceled for any violation of, or failure to comply with, any provision of the act or of these regulations or upon the ground that unreasonable or exorbitant charges have been made for services rendered, the warehouseman involved shall be furnished by the Secretary, or his representative, a written statement specifying the charges and shall be allowed a reasonable time within which he may answer the same in writing and apply for a hearing, an opportunity for which shall be afforded in accordance with regulation 10, section 4.

SEC. 2. *Paragraph 1.* Exclusive of any amount which may be added in accordance with paragraphs 2 and 3 of this section, the amount of such bond shall be at the rate of 30 cents per hundredweight or fractional part thereof, of the maximum number of hundredweight that the warehouse will accommodate when stored in the manner customary to the warehouse for which such bond is required, as determined by the chief of the bureau, but not less than \$5,000 nor more than \$50,000. If such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, and shall desire to give a single bond meeting the requirements of the act and these regulations for said warehouses, such warehouses shall be deemed to be one warehouse for the purposes of the bond required under this regulation.

If application is made under regulation 2, section 1, for a modification or an extension of a license and no bond previously filed by the warehouseman under this regulation covers obligations arising during the period of such modification or extension, the warehouseman shall, when notice has been given by the Secretary that his application for such modification or extension will be granted upon compliance by such warehouseman with the act, file with the Secretary, within a time, if any, fixed in such notice, a bond complying with the act, unless bond in sufficient amount has been filed since the filing of such application. In the discretion of the Secretary, a properly executed instrument in form approved by him, amending, extending, or continuing in force and effect the obligations of a valid bond previously filed by the warehouseman and otherwise complying with the act and these regulations may be filed in lieu of a new bond.

SEC. 4. Whenever a license has been issued for a period longer than one year, such license shall not be effective beyond one year from its effective date unless the warehouseman shall have filed a new bond in the required amount with, and such bond shall have been approved by, the Secretary prior to the date on which that license would have expired had it been issued for but one year, subject to the provisions of section 3 of this regulation.
